MAY NEWSLETTER

Dearly Beloved,

June 2013

Greetings and Blessings to you, from North Texas. I pray that you are enjoying the hand of the Lord upon your life and ministry. I am thankful to have this opportunity to communicate with you across miles and time by means of this letter. I am amazed that this year is half gone, time is fleeting as never before it seems to me. “..Behold now is the accepted time; behold, now is the day of salvation”. In this day of increasing darkness and evil, can you feel the urgency in the air? For you who are young, although it is time for preparation, education and formation of relationships, now is your time. For you who are in your prime, a sharp mind, a strong body and a keen eyesight, now is your time, use it or lose it. For those who have reached the golden years of age, the sun may be setting but the day is not over. Don’t let Satan or the world reduce you to the status of a “Has-Been”. The time is definitely ‘now’ for you. Whatever your age, the watchword is “Now”! The time is passing, the clock is ticking, the sun is setting, and darkness is coming. Now! Despise no duty, Waste no time and Ignore no opportunity. Running track, my coach always wanted us to “kick it in” and give our all and best at the finish of the race. Don’t you agree that this Spiritual race draws to a close, we must redeem the time, work the Father’s work, Now! For “night cometh”. Adapted from David Stone, Morning Manna.

We walked with the giants in March. These faithful pastors had over 160 years experience. We began in Missions Revival at Trinity BC in Grand Prairie, TX, Feb 27-3, Pastor Tommy O’Dell. Next, we were at Missions Colloquium, Mar 13-15, at Bodine BC, Oklahoma City, OK, Pastor Joe Hocking. Then we were in Revival at Grace BC, Mar 10-16 at Mt. Vernon, TX, Pastor Tom Campbell. Next we participated in Days of Refreshing Mar 24-29 in Victory BC at Salado, TX, Pastor Billy Borho. We completed March with a Wedding and Easter services, Mar 30-31 in Faith BC at Buffalo, TX, Pastor Paul Pryor.

May 12, Mother’s Day we celebrated with Star BC in Keota, OK, Pastor Rick McClaskey. I preached from my Great Grandmother’s Bible-purchased in 1870, it declares the same clear Gospel message as the one I carry. That night they had a 100th Birthday celebration for Mrs. Gladys Sasser a Godly Christian Mother, it was a wonderful day. May 19-22 was Revival at Bethel BC in LaGrange, TX, Pastor Joel Rumbaugh. We were again at Choctaw BC May 26 to finish the month where we started. Pray for this much needed work and for this young couple as they labor there.

As we look at these words on paper, our hearts are taken to special people serving in special places, and special times as the Lord met with us. Some are under great burdens, many are discouraged, and all of us need revival. Brethren, the watchword truly is “Now”! It is such a great privilege to be called and counted as the Servants of our Lord, the Soldiers in the battle of Faith, and the Saints who make up the Triumphant Church. Our ministry is one of encouragement and assistance to Pastors and local Churches. We trust God to open the doors of service and help us to accommodate you. We take every invitation seriously and ask Him to bless us and make us a blessing where we go. May God bless your efforts and give you fruit for your labors. Please pray for us and remember, its all about HIM!

Your Friends & Fellow Servants Because of Calvary,

Bro Wayne and Mrs Susie
