Dearly Beloved, July 2026

Greetings and Blessings from the hot and dry Heart of Texas. We are so glad to be able to communicate with you again. We are so blessed to be able to share our blessings and burdens with those of you with kindred spirits and tender hearts.

We are all living on this side of the Kingdom, and we all have trials and temptations here. But James said we should "count it all joy when we fall into these things." We can do that only when we get past ourselves and our things and look, by faith, unto our Savior, His will and His work. There with Him, who sacrificed all for us, whatever we suffer or whatever the cost of our service comes into perspective considering the present life with Him and the promise of Heaven's splendor and the unfathomable blessings of eternity in the very presence of the Godhead. And that as joint heirs with God's Precious Son. Remember we serve for a moment, but we rejoice for eternity. Our theme song still says, *"It will be worth it all when we see Christ"*.

We had 2 special graduations this year, Arriana, our oldest Great Granddaughter, was Salutatorian of her high school class in Virginia. The next day, Jason, our youngest Grandson, graduated in Austin, TX. Needless to say this was exciting and somewhat confusing, but Grandma and I were able to work it out. We were proud of them and look forward to the next chapter of their stories.

We are praying for the many sick or grieving among you and in the churches at this time. Please continue to pray for us and for those to whom we will go in the coming days. We will look forward to fellowshipping with some of you soon.

We are so thankful that the Lord allows us to be
His Servants & Your Friends,
Brother Wayne & Mrs. Susie

For we preach not ourselves, but Christ Jesus the Lord, and ourselves your servants for Jesus' sake. 2Corinthians 4:5
