Dear Praying Friends,

Praise God for bringing us to another new year. We look forward to this brand new year trusting in our Savior to give strength, wisdom and courage to faithfully serve Him on the island of Upolu in Samoa. Before we completely put 2014 behind us, we would like to thank you for your faithful prayers and support throughout the past year. We would also like to share a few of the highlights of our last couple of months.

White Sunday Program

White Sunday or "Lotu Tamaiti" is a holiday observed every October here in Samoa. It is a special Sunday of celebration and thanksgiving for children. We observed the day in the traditional way of having the children sing songs, perform Bible skits and recite their memory verses during the Sunday morning services. The Sunday was finished off well with one of the teens, Lewis, preaching a great message for the whole congregation. It was a great day and we thank the Lord for the children God has enabled us to teach!

Missions Conference

Lighthouse Baptist Church held their first annual missions conference during the month of November. The believers here have heard about missions, met many missionaries and even given to various missionaries who have come to our island, but this is the first time we have held a conference and introduced them to Faith Promise Missions. One of the highlights of the conference was getting to meet a missionary (other than myself!) who was born, raised and educated in Samoa. We were overjoyed to host Lilia Eti, missionary to Tena, Ecuador, sent out of Metropolitan Baptist Church in Sydney, Australia. At the end of the conference, Lighthouse Baptist members committed to giving almost \$4,000 SAT in Faith Promise and voted to take Lilia on for monthly support. Please rejoice with us in this and pray for them as they stretch their faith and give.

These are just a couple of the good things happening here in Samoa. There is so much more to do this upcoming year! Please continue to be in prayer for our family as we continue to serve our Savior in Samoa!
