Dearly Beloved,

August, 2019

Greetings and Blessings from hot and sunny North Texas. The May greeting was from cool and unusually wet North Texas. Who knows what the conditions will be before the next communication? The Bible warning- "Who knows what a day will bring forth?" That implication is much more than a weather change. It is dealing with Attitudes of heart, Acceptance of the Savior, and Awareness of the times. It is a challenge for the complacent, the uncommitted, the unaware, and the unbeliever. It looks toward the Day of His Appearing, toward the Blessed Hope, toward the Unveiling of the King of Kings.

Bro Ken Jackson sent a post. I hope it will bless your heart as it has mine. The song writer penned, "*Down from His glory, ever living story, my God and Savior came and Jesus was His Name. Born in a manger, to the world a stranger, a man of sorrows, poverty, and woe! What condescension, Bringing us redemption, That in the dead of night, Not one faint hope in sight, God, gracious, tender, Laid aside His splendor, Stooping to woo, to win, to save my soul! Oh how I love Him, how I adore Him, my breath, my sunshine, my all in all. The great Creator became my Savior, and all God's fullness dwelleth in Him!*"

We have been busy at Texas Theological University and Seminary, All courses are being prepared and are now offered On Line via Internet. This is a local church, King James Bible, Baptist Doctrine College out of Metropolitan Baptist Church. We are trying to offer an economical education for busy pastors and working laymen in churches who cannot drop it all and go to school. At present we offer degrees through Doctorate in four lines of study: Theology, Ministry, Missions, and Christian Education.

The burdens to each of the called sometimes are heavy. We need each other and we need His power. I ask you to remember to pray one for another. Break down walls of division so the Lord can work in our day. Become a faithful intercessor for those on the frontlines of the battle for hearts and souls around the world. The needs are great but our God is Great as well.

Please pray for this ministry. It is a Faith ministry. We seek to be a ministry of encouragement to Pastors and to local Churches. We take every invitation seriously and ask God to bless us and allow us to be a blessing where we go. With Paul I ask; "*Withal, praying for us...That I may make it manifest, as I ought to speak.*" Col 4:2-4
